Dear Virginia Beach Taskforce on Aging,

On behalf of the Staff and Board of Directors at Primeplus Senior Center, I want to take this opportunity to express our heartfelt gratitude to your organization for donating \$300.00 to Primeplus M.E.Cox scholarship fund. Your donation will go a long way to support our organization.

Every day seniors tell us they do not know what they would do without this place. We recognize the needs of the underserved senior community, and we remain dedicated to being flexible and responsive to those needs. We could not do this without the support of people like you.

We want you to know that we truly appreciate the wonderful contributions you make to Primeplus. Thank you so much for investing in our organization and in the seniors, we serve.

Sincerely,

Robert Batcher
Executive Director
