Dear Brandi,

Your choice to be generous is having a ripple effect throughout your community as your gift deploys arts outreach programs to your neighbors in isolating circumstances. Memory care patients, assisted living residents, and shelter occupants are experiencing the joys of self-expression and creativity - not to mention healing - because you chose to give to Tidewater Arts Outreach.

Thank you for your vision and investment, Brandi. We look forward to sharing more of the stories you created with you soon.

Gratefully,
